

ST PETER'S ELC

Welcome

St Peter's Early Learning Centre (ELC) is a partnership in education between Loreto Mandeville Hall Toorak, St. Kevin's College, Toorak and St Peter's parish.

St Peter's ELC provides a happy, nurturing, creative and challenging environment where boys and girls from three years of age can explore learning.

Our integrated play-centred programs are influenced by the Reggio Emilia educational project as well as Gardner's concepts of early learning.

We place this within our local as well as the Australian context. This offers children the opportunity and time to discover and explore, to question and predict, to wonder, to imagine and to dream. The wider world becomes the child's world.

We welcome the Early Years Learning Framework for Australia (EYLF) and the Victorian Early Years Learning and Development Framework (VEYLDF). Our conversations inspire a common language about young children's learning. These conversations can occur between the children themselves, their families, the broader community, early childhood educators and other professionals. These influences provide a lens when viewing our curriculum, ensuring its relevance to our local community and our early childhood setting.
